Santa Fe Springs, California 90670

Dear Mr. Miller:

REQUEST FOR VARIANCE – 41.40 L.A.M.C.

Your request for a permit variance for nighttime and early morning storm drain and sewer installation under the provisions of the Los Angeles Municipal Code Section 41.40 was **DENIED**.

After a thorough investigation, Commission Investigation Division (CID), Noise Enforcement Team, determined that granting the variance request would have a significant negative impact on the community. Therefore, it is in the best interest of the public that your request for nighttime and early morning work be denied.

This variance denies nighttime and early morning work from July 21, 2015 to November 21, 2015, Monday through Friday, from 9:00 p.m. to 6:00 a.m., at 3rd Street between Lucerne Boulevard and Arden Boulevard, in the City of Los Angeles. Therefore, work will only be conducted Monday through Friday, 7:00 a.m. to 9:00 p.m. and Saturdays and Holidays, 8:00 a.m. to 6:00 p.m. No Sunday work is permitted.

Should you have any questions or require additional information, please contact Detective Sandra Betancourt, Officer in Charge, NET, at (213) 996-1230.

Very truly yours,

RICHARD M. TEFANK, Executive Director
Board of Police Commissioners
